A SURE GO.

An Illinois Man Wants to Die and Uses a Locomotive to Give Him a Start.

The Theory That the Newark, Ohio, Fire Conceals a Murder Growing Into Relief.

A McGahan Needed in Macedonia--A Turin Riot--The Daily News.

Laid his Neck on the Rail.

ST. LOUIS, Dec. 15.—A special from Peoria, Ill., says, as the east bound Chicago, Burlington and Quincy passenger train passed through Elmwood, this county, to-day, J. S. Reagin, aged thirty-five, deliberately laid down in front of the train with his neck on the rail. The train passed over and beheaded him. He leaves a family.

The Macedonia Atrocities.

PHILIPPOLIS, Dec. 15.—At a public meeting held yesterday a committee was formed to investigate into the reported Turkish atrocities in Macedonia with a view to the enlightenment of Europe. The meeting adopted a resolution thanking Gladstone for the interest he has taken in the welfare of the Christians of the Turkish empire and asking him to institute inquiries to present reports.

Want Redress.

SPRINGFIELD, Ill., Dec. 15.—Nineteen business firms of this city have signed a petition asking the state board of railroad and warehouse commissioners to take action in the matter of unjust discriminations by the Chicago and Alton, the Wabash, St. Louis and Pacific and the Illinois Central railroads against the city of Springfield.

A Lively Riot.

TURIN, Dec. 15.—The municipal authorities yesterday refused to receive a deputation of unemployed workingmen. This exasperated the men and a riot ensued. The windows of the mayor's apartments were smashed. Twenty-five arrests were made before the disorder was quelled.

Urged to Pay the Indemnity.

ALEXANDRIA, Dec. 15.—The indemnity committee have decided to ask Prince Bismarck to urge upon the members of the African conference the necessity of immediate payment by Egypt of the indemnity for damage done private property by the bombardment of Alexandria.

A Freight Train Ditched.

PITTSBURG, Dec. 15.—A freight train on the Pennsylvania and Western railroad, ran into a landslide near Queen's station this morning, wrecking the engine and seven cars. The engineer, Daniel Castello, was killed instantly and the fireman, John Isterall, fatally injured.

Expelled Because of His Political Zeal.

CHICAGO, Dec. 15.—At a meeting of the board of Erin, the highest authority in the ancient order of Hibernians, the expulsion of Henry F. Sheridan from the Lamer body was ordered on the ground that he had endeavored to convert it into a quasi political organization.

Operators Organizing.

BOSTON, Dec. 15.—The telegraph operators from all the companies in this city met yesterday and formed a protective association. It is understood that this action is in common with other operators throughout the country.

Fires.

FALMOUTH, Ky., Dec. 15.—The buildings owned by William Kennett, Joseph Woodhead and John Pendergas burned yesterday. Total loss, $20,000, the greater portion of which falls upon Rule Bros., clothiers; insurance, $13,000.

Economical.

PITTSBURG, Dec. 15.—The Republic iron works, of the south side, resumed operations to-day at a 10 per. centreduction of wages of all employes, excepting the Amalgamation association scale men.

Bad Trade.

MILAN, Dec. 15.—There is a great dullness in the iron trade in this city and in consequence 4,000 iron workers have been discharged.

No Clue to the Murders.

LONDON, Dec. 15, 3 p. m.—No clue to the perpetrators of the bridge outrage has been found.

Congressional.

WASHINGTON, Dec. 15.—Sherman of the committee reported favorably the bill providing for the erection of a statue of General Lafayette.

Logan presented a large number of petitions from tobacco and cigar manufacturers and labor organizations of Illinois, New York and other states protesting against the ratification of the Spanish treaty. Also petitions signed by over 7,000 ex-soldiers of the Union army praying congress to purchase for the capitol at Washington a portrait of Gen. George H. Thomas, and recommending that it be executed by Miss Ranson.

The chair laid before the senate Vanwyck's resolution heretofore offered relating to the Spanish treaty, referring to the committee on rules to report a rule providing for the consideration of commercial treaties in open session. Rosecrans, of California, said the subject was now under the consideration of the committee on foreign relations, and moved the reference to the consideration of that committee. Hoar raised the point of order that the matter should be discussed with closed doors. Platt called for the reading of the rule authorizing the closing of the doors. Rule 35 was read. It provides that on the demand of two senators the doors of the senate may at any be closed. The chair inquired whether the motion of the gentleman from Massachusetts (Hoar) was seconded. Hawley seconded the motion and the senate then went into secret session.

In fifteen minutes the doors opened and the senate took up the Dakota bill.

In the secret session of the senate Vanwyck's resolution for the discussion of the commercial treaties in open session was referred to the committee on foreign relations.

THE BARKER INVESTIGATION.

Barker appeared again to-day before the committee examining the alleged irregularities in the first comptroller's office and after modifying his former testimony by saying that when he made the charges against the judges generally he meant a district attorney, he was excused and Judge Lawrence took the stand.

He said the accounts allowed in his office and cited by Barker as illegal were allowed according to law. Relative to the resignation of Barker as clerk in the first comptroller's office, Judge Lawrence said a claim for $16,584 of the state of Florida against the United States was presented to the acting comptroller for passage during the absence of the comptroller in Ohio. The warrant was in unknown hands when it was signed by the acting comptroller but was detained in one division office. When Judge Lawrence returned he said it was discovered that the claim was fraudulent. He asked Barker what he knew about it and he replied he knew nothing. A few days after Judge Lawrence confirmed, Barker came to my rooms and said he would afterwards explain that matter and the next morning he resigned and has never explained.

Believed to Have Been Murdered.

NEWARK, O., Dec. 15.—A dispatch says: The origin of the fire at Johnstown, Saturday by which seven buildings were destroyed and Wm. Trout, a saloon keeper, burned to death, is believed to have been incendiary. The theory prevails that Trout, who is known to have possession of between $4,000 and $5,000 was robbed and probably murdered while intoxicated, then locked in his saloon and the building fired for the purpose of covering up the crime. Steps will be taken immediately to have the matter investigated.

Failures.

LANCASTER, Pa., Dec. 15.—Joseph Herzog, grocer, failed to-day in consequence of an execution for $1,400 issued by Dana Grunam. Liabilities heavy.

Herman Wolf, who was reported to have eloped with Miss Clara Huertt, of St. Louis, returned to the city this morning. The young gentleman called at THE SENTINEL office to say he was not married and does not propose to get married until the proper time comes. He accompanied his betrothed to St. Louis and returns now to engage in the engraving business in rooms over Pyke's grocery. Mr. Wolf says he did nothing to deserve the condemnation of his father-in-law, Mr. Stotz.

United States Marshal Foster this afternoon sold the dry goods stock of Edward A. Pierr for $4,000 to T. B. Hedekin. This money goes into court to await decision as to whether it goes to Mrs. Pierr or the other creditors.

LOCAL LINES.

Mr. G. W. Seeley, the gentlemanly manager of the Newspaper Union, is on the sick list to-day.

The Pittsburg and Wabash railroad shops will run on full time and with a full force of workmen after January 1.

Lizzie Oetting, the German girl who abandoned her lover, is at Cincinnati. She went there alone last Saturday and to-night her jilted suitor will follow her.

Martin Farbrecht, of Middletown, came here Saturday and got drunk; Justice France sent him to jail and to-day relatives of the blacksmith paid his fine.

Master Mechanic Barnes, of the Wabash, denies that C. F. Lape is to take charge of the shops at Peru. Lape comes here to-night at the call of Mr. Barnes.

A nephew of Conrad Klinke, who suffers from blood poisoning, will probably loose a lower limb, as physicians think its removal necessary to save the young man's life. He lately came from Germany.

The indications for the lower lake region as reported by the weather bureau at Washington to THE SENTINEL are as follows: Clearing weather, northerly winds, lower temperature and higher barometer.

Friday evening, December 19, at the residence of Miss H. H. Philley, No. 63 Superior street, the Young People's Temperance Union will give a literary entertainment. A cordial invitation is extended to all.

The county commissioners Saturday reappointed Hon. R. C. Bell county attorney. Mr. Belle is one of the most brilliant and successful attorneys in the west and his appointment is both honorable and creditable.

Let there be a full attendance at the W. C. T. U. meeting to-morrow afternoon, at 3 o'clock, at the Berry street M. E. church, entrance on Harrison street. Dr. McCaskey will speak of the "Effect of Alcoholic Drinks upon the Human System."

The Air Line railroad, from Pittsburg to Council Bluffs, Iowa, mentioned exclusively in THE SENTINEL last week, will be built next summer and will certainly run through Fort Wayne. Its promoters have been in correspondence with Fort Wayne men since last June.

The failure of A. J. Taylor & Sons, the Sheldon manufacturers, continues to disturb creditors of the firm and to-morrow the senior Mr. Taylor will be examined at the office of Wm. P. Breen. It now transpires that August 22d last Mr. Taylor represented himself to the commercial world as worth $49,000 above all indebtedness. The truth of the statement is now to be tested.

THE COURT HOUSE.

The jury in the superior court will be called next Monday.

Wm. Vollmer and Caroline Schneider have been granted a permit to wed.

To-day the commissioners, in special session, granted a liquor license to Morris & Wickliffe.

W. G. Cartwright has paid $100 into the school fund for the issuance of a liquor license.

Wm. Borgman has been given the contract for carting stone to the crockery, by the commissioners.

H. N. and C. L. Bird have sued A. J. Taylor & Sons for $350. Chapin & O'Rourke are for Bird.

Henry G. Zimmerman has sued Geo. W. Luce on account for $100. Randall & Penfield appear for Zimmerman.

Anna Beery was to-day divorced from her husband Eli Beery and Judge O'Rourke gave the woman $100 alimony.

Last Saturday Hon. R. C. Bell was re-appointed attorney for the county for the term of one year at a salary of $300.

Anthony B. Trentman has transferred to Andrew F. Glutting lot 35, McCulloch's addition, $500; date of deed, December 12, 1884.

To day the commissioners visited the county farm and infirmary. Within the next two or three days they will visit the jail and hospitals.

The superior court will be removed into the old criminal court room next week. The improvements in the room have not yet been made.

A new base burner stove has been placed in the United States court room, and the gentlemanly clerk, John Morris, can entertain his friends.

In the case of Wm. Pettis vs. Louis T. Bourie, in the superior court, judgment was given the plaintiff for $275. The demand was for $400.

The receivership suit of P. A. Randall against A. C. Katt is on the circuit court docket. Randall & Penfield are attorneys for the plaintiff.

The county treasurer will make his semi-annual settlement with the treasurer of state on the 25th, and will present the state Allen county's Christmas gift.

A. W. Worthley and others have sued C. L. Olds & Co. for $900 on account. Wm. P. Breen is attorney for the plaintiff. The case comes up before Judge Hench.

Charlotte A. Tabor and Stephan C. Tabor have sued James Fox in the circuit court for $150 on a lease. T. E. Ellison is the attorney for the Tabors, who live at Logansport.

Solomon Rothschild was awarded $97 judgment against Jonathan Fleming and John P. Mauny got judgment for $86.25 against Wm. Omo and Daniel Shorden in the superior court to-day.

The regular term of commissioners' court closed last Saturday evening, expiring by limit of law. They were convened Monday morning in special session to complete unfinished business.

The county does not bear the cost of special judges sitting in any of the courts as many suppose. The allowance is first made by the county which is afterwards returned in the settlement with the state.

In the Wilbur ditch case the commissioners last Saturday afternoon granted a petition to amend the original petition in the location of the ditch and appointed the same viewers as reported on the first petition to report in this case.

Although Judge Woods, of the United States court, has under consideration the motion for a new trial in the case of Gibbon A. Fitch against the Hale brothers, it is probable the suit may be compromised before he acts. The judgment against the Messrs. Hale amounts to $4,000, but Fitch will take $1,000 and call it square.

The case of the Motherwell Iron company against Hiram Iddings, of Warsaw, has been settled. When the controversy first come up Mr. Iddings made a tender of $3,183.03 into the United States court. The Iron company refused to accept the amount and instituted suit, which terminated the other day in a verdict of $1,944.06 in their favor. A motion for a new trial was made, but later the Iron company accepted the original tender of $3,182.03, each side paying their own costs.

ACHES! PAINS!

"I ache all over!" What a common expression; and how much it means to many a poor sufferer! These aches have a cause, and more frequently than is generally suspected, the cause is the Liver or Kidneys. No disease is more painful or serious than these, and no remedy is so prompt and effective as

I have used it for both indigestion and affection of the kidneys, and it is the most wonderful combination of medicinal herbs I ever saw."

MONDAY, DEC. 15, 1884.

OFFICIAL PAPER COUNTY AND CITY.

THE cabinet maker seems not to lack for material.

THE new Spanish treaty does not seem to meet the unanimous approval of the people.

PRESIDENT ARTHUR is still in the senatorial ring despite the efforts to crowd him out.

THE Milburn wagon works at Toledo have closed until February, throwing 350 men out of employment.

BECAUSE the 22d of February falls on Sunday next year the ceremony of dedicating the Washington monument will be held on the 21st.

IN the mines at Coal Creek, Tennessee, six convicts undertook to escape. The guards killed two of them and fatally wounded two others.

MR. BLAINE has not called upon Mr. Arthur neither has he congratulated Gov. Cleveland but then, we are told, Mr. Blaine is very busy.

GENERAL SHERIDAN has accepted the position of marshal of the day for the celebration of the completion of Washington's monument on the 21st of February.

TO-MORROW the north and south meet again but the greeting, while perhaps just as hearty, is of a kind which the average republican fire-eating editor can better appreciate.

THE *Sentinel* people appealed at Indianapolis Saturday in the Blaine libel suit, that proceedings be stayed until the plaintiff answers the questions in the amended bill of discovery.

THE grand jury at New Orleans, after examining over one hundred witnesses, has indicted Recorder Ford, his brother and several police and court officers for the murder of A. H. Murphy.

JOHN MCDONALD, of Schuylkill county, Pa., was willing to die as soon as a democratic president was elected. Scarcely had the electors done their work when McDonald expired.

AT Cleveland, Ohio, Saturday, Scofield, Shurmer & Teagle secured a verdict for $9,000 against the Lake Shore road for discriminating against them in favor of the Standard Oil company.

GEORGE E. WINGATE, who embezzled $10,000 from the North British Canadian Investment company, of Toronto, was arrested Saturday at New Orleans, and $8,000 of the money recovered.

BOWAN county, Kentucky is the scene of much excitement over a feud which promises to end several lives, it being the result of an election quarrel. These Kentucky feuds become monotonous.

MAYOR HARRISON has demanded the resignations of Wm. Clinger, Frank A. Stearns, and Peter M. Hansbrough, city officials of Chicago, who are involved in illegal registrations of the Eighteenth ward fraud.

JOHN R. MCLEAN, editor of the Cincinnati *Enquirer* sent the night-messenger boys of Cincinnati a present of one thousand dollars in response to a visit of congratulation made by the little fellows just after his marriage.

A SPECIAL from New York says that to day's *Daily News* will say: "General Grant has written to a friend at the custom-house, saying that he will not consent to have congress place him on the retired list of the army." This, it is to hoped, will forever put a quietus on that point.

TO-MORROW is the appointed day for the opening of the New Orleans World's exposition. The eyes of every people and every nation are again turned to America and are waiting and watching for the success of this vast undertaking. That it will be successful cannot be doubted and its location will do more to open and develop the resources of the south than all other schemes and plans looking to that end. The products of a world will be there exhibited and to-morrow at noon when the president shall press the button in the executive mansion which shall start the ponderous engine in motion a new era will have opened for the south.

AMUSEMENTS.

The Girls.

To-morrow evening the famous Rentz-Santley Novelty and Burlesque company will appear at the Academy of Music. This company has been re-organized and includes some very fine specialty people. Among the large number in the cast we notice the names of the favorite Andy and Annie Hughes, Manchester and Jennings, the Livingstons, Billy Buckley, James Collins, Lulu Mortimer, and many other artists of talent and pleasing rotundity. The advance sale of seats is large and singular to relate the front chairs go first.

Many who have long suffered from indescribable feelings of distress, lame back, aching joints, sores, swellings, weakness of the urinary and digestive organs, unnatural feelings of weariness, headache, nervousness, despondency, disturbing dreams, partial insanity, etc., after doctoring liver, kidneys, nerves and brain, with the various quack nostrums of the day, and being nearly frightened to death by their alarming advertisements, quietly began using Dr. Guysott's Yellow Dock and Sarsaparilla, and were agreeably surprised to quickly find themselves restored to perfect health. No other remedy equals it.

Port Said, situated at the northern terminus of the Suez canal, has the reputation of being the wickedest place in the world.

Westminister Abbey is famous as the burial place of many of the most distinguished men in history. A live healthy man has no use for a burial place for himself, however; and Mishler's Herb Bitters is a sure guard against his needing one. James N. Pearson, of York, Pa., thinks so ever since he was attacked by all the symptoms of Asiatic cholera, and was cured by the prompt administration of four wine glasses of the bitters.

The south lost in the late war more men than England did in all her wars from William, the conqueror, to Queen Victoria.

The Voice of the People.

The people, as a whole, seldom make mistakes, and the unanimous voice of praise which comes from those who have used Hood's Sarsaparilla fully justifies the claims of the proprietors of this great medicine. Indeed, these very claims are based entirely on what the people say Hood's Sarsaparilla has done. Send to C. I. Hood & Co., Lowell, Mass., for a book containing statement of many cases.

Cure of Asthma and Spinal Weakness

239 West 22 Street,
NEW YORK, May 17, '83.

Though it may be irregular for a physician to give a certificate in favor of a proprietary medicine still, in the cause of humanity, I venture to say a word in favor of Allcock's Porous Plasters, which I esteem the most remarkable external remedy of this century.

I have known these plasters to cure spinal weakness where the patient had been confined for months to his bed. A blacksmith of my acquaintance was severely injured in the back by the kick of a horse; four Allcock's Porous Plasters quickly relieved him of excruciating agony and cured him in a week. Another patient, suffering from neuralgia of the heart, was completely cured in four hours.

In Asthma, I know of a case where they were worn for three months and fully restored the health. In another case where a patient had sporadic cholera, nothing relieved him until he put on three of Allcock's Porous Plasters; in twelve hours all pains in his chest and stomach had disappeared. I know that these plasters applied on the pit of the stomach, are a sovereign remedy for dyspepsia and constipation.

Finally, if persons once use Allcock's Porous Plasters they will never use any other; they are so pleasant, quick and painless—nature's balmy assistant.

H. C. VAN NORMAN, M. D.

MONDAY, DEC. 15, 1884.

THE CITY.

Superintendent Law is at Chicago.

Hon. Wm. Fleming is at New York city.

Mr. P. A. Randall, the attorney, is quite ill.

The men in Olds' Wagon and Wheel works were paid to-day.

A half dozen Wabash men were dismissed last week for negligence.

Judge James Cheney and wife are the guests of Mr. and Mrs. C. S. Knight.

W. G. Barneclo and C. T. Booker, of Indianapolis, are at the Aveline house.

T. C. Mongovin, a tool maker in the Wabash shops, has gone to Michigan to be married.

Rev. G. H. Sauer, of this city, dedicated a new Lutheran church at Lafayette yesterday.

Mrs. Leopold Levy and daughter, Miss Daisy, of Huntington, are the guests of relatives in this city.

B. C. Reinewald, the cigar manufacturer, has been confined to his room by illness for a week past.

J. N. Arbin, a machinist in the Pittsburg shops, has invented a door spring which he will have patented.

THE SENTINEL'S Nebraska ghost story continues to agitate the public. This is a great advertisement for us.

A. C. Trentman has won his suit against Edward Eldridge, appealed to the supreme court from DeKalb county.

Ticket Agent Brackenridge, of the Pittsburg, returned from Chicago to-day bringing with him his family, who have been visiting there.

The Nickel Plate road did not run the excursion to Chicago Saturday. The train was chartered by a Chicago house, but the institution did not make a fortune.

Barney McAuley will not appear at the Temple Tuesday night. Barney is a "wine bibber" and his little lark of the past week accounts for his not appearing here.

President James H. Smart has invited Representatives Hayden, Brooks and McHenry, of this county, to visit Purdue university before the opening session of the Indiana legislature.

Murray's shops were closed to-day and will remain closed until January 1. As stated Saturday this closing is for the purpose of invoicing. When work is resumed it will be with a full force.

Postmaster Keil has been notified that on and after January 1, 1885, postal money orders may be sent to Constantinople, Turkey. The rate will be same as for orders sent to Great Britain.

Mrs. Nora T. Gause lectured on "Temperance" at Huntington yesterday. Mrs. Gause will hereafter devote her time almost exclusively to the cause and has engagements in advance. She is a brilliant lecturess.

Saturday night a pretty young wife appealed to Lieutenant Wilkinson to take her husband out of a gambling room over Dukeman's saloon. The officer complied and the people went home. The woman was crying bitterly and said her husband lost all his earnings at the gaming table.

The shipments of flour, grain and provisions by the pool lines from Chicago to the east during the week ending Saturday, Dec. 13, amounted to 65,553 tons, against 55,476 tons during the preceding week; an increase of 9,879 tons. The Nickel Plate road carried 9,402 tons and the Pittsburg road carried 7,882 tons.

THE SENTINEL Saturday was in great demand and necessitated a special edition, besides the regular issue. It contained eighteen columns of live, fresh, interesting reading matter, including eleven columns of local news, bright, crisp and spicy. THE SENTINEL does not require advertising, it speaks for itself.

The *Gazette* is respectfully informed that THE SENTINEL is fighting for nothing but the *news* and aims to give it all fresh and clean, not neglecting, of course, to look after the welfare of the democratic party and the best interests of Fort Wayne. THE SENTINEL is a *newspaper* and has no space for petty brawls.

James H. Woodward, the well known correspondent of the Cincinnati *Enquirer* under the title of "Jayhawker," has been appointed auditor of the Texas Pacific railroad, with headquarters at Dallas, Texas. He will remove to that state January 1. Mr. Woodworth is known here and accompanied Mr. Blaine on his recent visit to this city.

A. C. Katt, will in a few days, open a book and paper store for himself. Mr. Katt was asked to remain at his old house until after the holidays, but as he was not consulted in the appointment of a receiver, he wouldn't touch the store. He is an enterprising fellow. D. B. Koehler will continue to manage the old store of A. C. Katt & Co. until all the stock is disposed of. The creditors of the house will be paid in full, as P. A. Randall is good for all indebtedness.

J. F. Getty, of Napoleon, Ohio, is a guest of the Mayer house.

Sleighing is good on a few streets in the city. The country roads are rough.

The police have not made an arrest for thirty-eight hours and police court was a white wash.

Master of Transportation Hunter went north with the Grand Rapids & Indiana pay car this morning.

Judge L. M. Ninde has entirely recovered from his recent illness and is again active in his profession.

Fred Rouselau, a Columbia street saloon man, was arrested to-day for selling liquor to Thomas Martin, a boy. Mayor Zollinger imposed a fine.

Sheriff Nelson traveled most of Saturday night on the track of the counterfeiters. Mr. Nelson is modest about his work, but he gets there just the same.

Sheriff Nelson banished from the city a couple of crooks who victimized Broadway merchants to the extent of $8 or $10. The sheriff captured a sack full of bad coin.

The Delphi *Times* says: "Frank P. Hench was elected county attorney of Carroll county, by the county commissioners Saturday." Mr. Hench is a brother of Judge S. M. Hench.

Go and hear the little orchestra, Lillian, eight; Mattie, twelve; Eugene, twelve; violin, organ and violincello, at the flag social at the Baptist church, next Tuesday evening, Dec. 16.

Edward A. Pierr was to-day examined at the office of Morris, Aldrich & Barrett relative to the conveyance of his property to his mother. The United States marshal now has charge of the stock of goods in question.

A German girl named Lizzie Oetting is missing from the house of her friend August Becker, of Fairfield avenue. The police were asked to look after the missing girl, who has been in this country but fourteen days.

A 10 per cent. reduction has been made in the wages of the men at the Olds spoke factory. In a year or so the factory may be transferred to a large tract of land purchased by Mr. H. G. Olds, east of the new Pittsburg yards.

Hon. R. C. Bell went to Newcastle to-day to appear for the White Water Valley road in a suit instituted by a person who was put off a train. The White Water road is a branch of the Fort Wayne, Cincinnati and Louisville road and Mr. Bell is attorney for both lines.

James D. Vail, who is well known in Fort Wayne and has been in the employ of the Wabash road for over twenty-six years as conductor, and last as assistant dispatcher, with headquarters at Toledo, resigned Saturday, and has accepted a position with a road running out of Chicago.

On application of P. A. Randall a receiver was appointed for the book and paper firm of A. C. Katt & Co. D. B. Koehler was appointed receiver and took charge late Saturday night. Yesterday Mr. Katt gave up the keys and stepped out of the business, leaving Mr. Randall in control. The liabilities of the firm about equal the assets.

The Fort Wayne commandery will elect officers next Thursday night. R. F. Keith will be elected grand commander, as the Sir Knights are about unanimous in the desire to do him honor. Three trustees are to be chosen and their election completes the Masonic Temple board. The different lodge trustees will later meet as a Masonic Temple board and choose their officers from president down. These gentlemen control the policy of the Temple opera house.

The Lafayette *Courier*, with its type, presses, fixtures and franchise, was sold Saturday by Mrs. Frances E. Lingle, administratrix of the estate of the late W. S. Lingle, to M. M. Mayerstein, Miss Mabel Lingle and Mrs. T. E. Scantlin. The business will hereafter be conducted by said parties under the firm name of "The Courier company," with M. M. Mayerstein as business manager and T. E. Scantlin as managing editor. Miss Lingle is quite well known in Fort Wayne, where she has visited frequently.

The new check system was inaugurated on the Wabash this morning. The conductor is now compelled to give each passenger a check with the points of his coming on board and his destination punched and then collects the checks before that station is reached. As may be supposed the conductors are not overjoyed at this new scheme and one of them said, "It makes this run a through one as bad as a local run. I have'nt sit down since I left my division point." "What is the use of this style?" was asked and the question was repeated in a tone that suggested several emphatic exclamation points.

No one can be ill if the blood is pure. Yellow Dock and Sarsaparilla root have long been recognized as blood purifiers. Don't be humbugged by the advertisements of the many quack bitters, but occasionally use Dr. Guysott's Yellow Dock and Sarsaparilla, and you will live to a good old age free from all the distress of mind and body. Many of our best citizens who long suffered from bad blood indicated by weak kidneys, indigestion, sores, aches, etc., owe their recovery to the use of this remedy.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferers at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain relieves wind, regulates the bowels, and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. 1eod&wly.

DYSPEPSIA

Causes its victims to be miserable, hopeless, confused, and depressed in mind, very irritable, languid, and drowsy. It is a disease which does not get well of itself. It requires careful, persistent attention, and a remedy to throw off the causes and tone up the digestive organs till they perform their duties willingly. Hood's Sarsaparilla has proven just the required remedy in hundreds of cases.

"I have taken Hood's Sarsaparilla for dyspepsia, from which I have suffered two years. I tried many other medicines, but none proved so satisfactory as Hood's Sarsaparilla." THOMAS COOK, Brush Electric Light Co., New York City.

Sick Headache

"For the past two years I have been afflicted with severe headaches and dyspepsia. I was induced to try Hood's Sarsaparilla, and have found great relief. I cheerfully recommend it to all." MRS. E. F. ANNABLE, New Haven, Conn.

Mrs. Mary C. Smith, Cambridgeport, Mass., was a sufferer from dyspepsia and sick headache. She took Hood's Sarsaparilla and found it the best remedy she ever used.
